Summer Juried Member Show

will be held Aug 1-29 at
Oak Knoll Country Club,

Watercolor Reflections

Hello Everyone,

I'm pleased that LWS has added another juried exhibit to the year's roster of shows! We will host a Summer Juried Member Show in August at Oak Knoll Country Club in Hammond, LA. Juried shows are always fun and are a challenge. Displaying juried paintings means that a juror has to look at all of the submissions and choose a certain number for the show. The better the painting, the better chance it has of garnering a spot in a juried exhibit. Getting accepted into a Juried Member Show gives an artist confidence to perhaps enter a national juried exhibit such as the ones held by The National Watercolor Society, The American Watercolor Society, The Transparent Watercolor Society of America and of course our own prestigious show, The Louisiana Watercolor Society's International Exhibition. The more an artist enters and gets accepted into juried member shows, the better chance of achieving a signature membership! There is a certain 'finished' quality to excellent paintings. So please paint and paint well. Paint as if a juror will be reviewing your painting. Take your own reference shots. Please don't borrow others' photos. And here's hoping to see you in the LWS Summer Juried Member Show!

CLASS DESCRIPTION

Water reflections are fascinating. The water can act like glass and give an almost perfect reflection of the object or distort the objects due to movement of the surface. This class will focus on reflections in water. Learn to see changes in color, abstract shapes and techniques for creating them.
